

Cross Country-CIF Champions

Once again, St. Bernard's produced another outstanding Cross Country team. The Varsity had another undefeated season, running the string of consecutive dual meet victories to 41. The team picked up their fifth Camino Real League crown in a row. The highlight of the season was a close, but undisputable win over a strong Crespi team. The Varsity men also had a fine record in their invitationals this year. They started the season on the right foot with a 1st place in the Long Beach Invitational. Another 1st was taken at El Camino. A 3rd was won at the always tough Kenny Staub Invitational.

This year's Varsity squad was led by senior Tom Razzeto, who continually took firsts all season long. Very strong performances were turned in by Seniors Jim Conlin and Pat Hindman and Juniors Glenn Mehrbach, Bill Hulme, and Joe Davidson. The surprise runner of the season was little sophomore Rick Razzeto, who through constant running during the summer, earned a valuable spot on the Varsity.

The Junior Varsity had a fine season, running their record to 4-1. The J.V.'s conditioned all season long, always striving for that number 1 position. Outstanding members of the J.V.'s were senior Kevin Chilton, junior Tim Healy, sophomores Mike Khouri and Jim Razzeto and freshman Tom Villeneuve.

Poise, talent, experience, coaching — these are the ingredients that go into a winning ball club. These are the ingredients that went into our Varsity football team. SBHS was represented by 39 hard-working athletes on the football field. Thirty-nine men who had the poise, talent, experience and coaching. At the beginning of the season, everyone was saying that we should have a pretty good team. After the first 2 games, everyone knew we had a great football team. When the going got tough, the Viking horde was right there, fighting every inch of the way. The Norse led a balanced attack this year with "Valdez" and the "Blue Machine" rolling along.

The Vikes started the season off with a good win over the green Sentinels of Inglewood, scoring a 21-0 shutout. A week later, last year's 3-A C.I.F. champs and this year's number 1 rated team traveled to Vikingville. The Lompoc Varsity left a loser, coming out on the short end of a 21-13 score. The Vikings played a great game, holding off fourth quarter drives by Lompoc. The Norsemen then crossed the street to meet Westchester. However, the Comets saw them coming in the fog and squeaked by, 20-18. Next the Vikes traveled to Bosco, only to lose 33-16. The the league started and the rest is history. Again we came so close.

Part of the game of football is to stop the other team from scoring, and our defense did just that. "Valdez" had 3 shutouts this season and held the opponent to a minimum in the other games. Heading the defense was captain Dave Wurzell. The Vikings' fearsome foursome consisted of Louis Quinn, Pete Thierjung, Dan Blackstock, and Mario Celotto. Other important members of the defense were Frank Lococo, Mike Parsons, Dan Burns, Dick Tuholski, Jeff Wurzell, Rick Flores, and David Lopez. The thief of the team was Dick Tuholski, who intercepted a number of passes with sizeable runbacks.

The Junior Varsity had a rough season, fighting their way to a 4-5 season. More important, though, was the year's experience needed to produce a winning Varsity team in the years to come. The J.V.'s had a strong defense, shutting out their opponents in 3 games during the season. The offense scored over 20 points in at least one third of the games this year. Highlights of the season were powerful wins over Westchester, 27-0, and Inglewood, 29-14.

The J.V.'s were led by offensive captain Dan LeBouf and defensive captain Larry Schiller. Outstanding members of the Junior Varsity were Mark Leamy, Dave Urman, Phil Copeland, Ralph Quarto, Phil Raymond, and Bob Cope.

The J.V.'s were under the coaching of Larry Haryung, Dick Laner, and Doug Bishop.

The Freshman Football Team had a fine season, winning 4 of their 9 games. The Frosh competed against many teams composed of sophomores, juniors, and seniors. Fighting hard all season long, the new members of our Viking football program kept the spirit needed to build a great team. The Vikes came out 2-2 in the league and missed second place by 24 seconds. In their last game against Crespi, the game was deadlocked 14-14 when Crespi scored with 24 seconds on the clock. However, our Frosh battled hard and never gave in, just as they did all season long. The freshmen were led this year by captains Vince Cascio and Mike Garner. Outstanding members of the freshman team were Ben Beard, Bob Twomey, John Vesota, Tony Raymond, Terry Strasser, and Ralph Quarto.

The Frosh were under the direction of coaches Charlie King, Bob Salazar, and Rich Pahl.

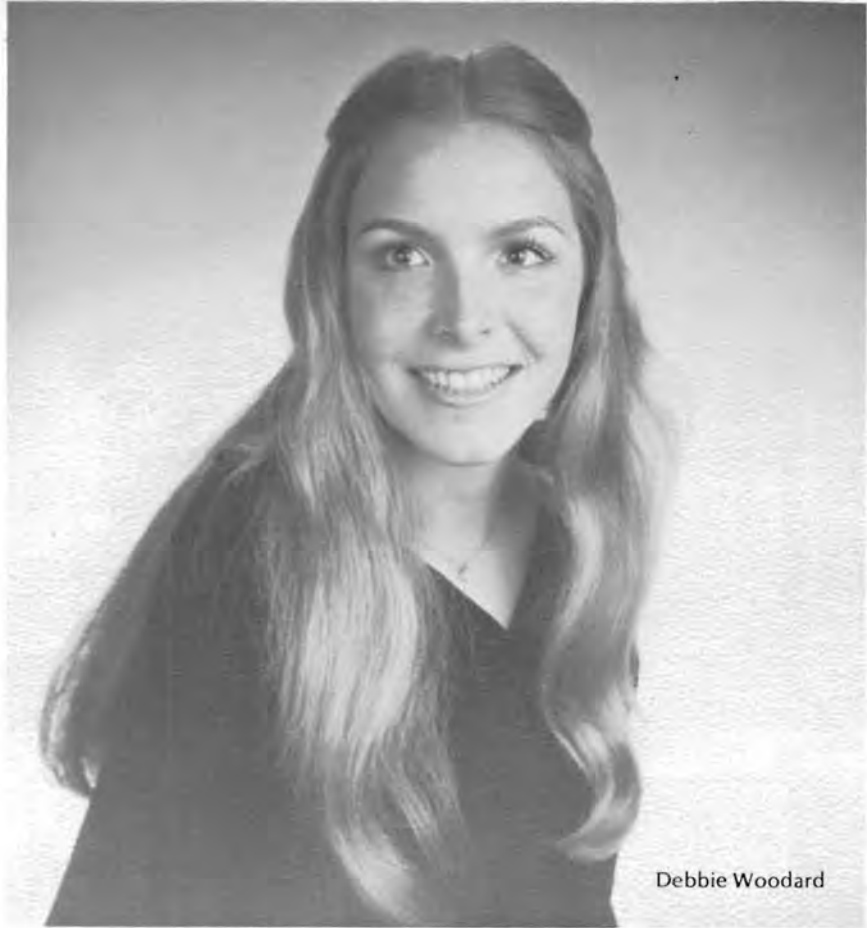

T.Strasser scores again for the Vikings at home.

At Christmas, students not only spread their Christmas spirit throughout the school, but also brought joy to others outside. Religion classes 'adopted' families, collecting food, clothing and money for them. Some senior girls sang at the Playa del Rey Convalescent Home. Mrs. Cramb and Sister Trinita's Spanish classes visited rooms in a ceremony called Las Posadas. On December 18th students gathered in the MPB for the Christmas Dance. On the final day of school there was a pinata ceremony at nutrition in the breezeway. This year there was a special Christmas Mass.

This year's Varsity Basketball Team was a hard working, dedicated team. With the solid defense, both man-to-man and zone, and the high-scoring offense, many a team had nightmares about the Vikings.

The Vikings were led this year by captains *John McCaffrey* and *Dave Gould*. The team was made up of center *Greg White*, forwards *Pat McIntyre*, *McCaffrey*, and *Gould*, guards *Gorm Heimuller*, *Bill Maurer* and *Rudy Alvarez*. The team was backed up by a strong bench.

Highlights of the season were strong pre-season wins over Inglewood, St. John Bosco, El Segundo, St. Monica, Loyola, and Warren. The Vikes took second place in the St. Monica Tournament, dropping the championship game by only 5 points. *Gould*, *White*, and *Heimuller* picked up All-Tournament awards. *White* also got recognition for his play at the Hawthorne Tournament and the Pius X Tournament, at which the Vikings won the Consolation Award.

The Camino Real League was considered one of the toughest in C.I.F. this year. In league play, SBHS dropped two games to Bishop Montgomery by one point and one game to Crespi by 3 points. Highlights of league play were powerful wins over Serra (twice) and Crespi with a close win over Mt. Carmel. The Vikings ended up 4-4 for league and second place.

The team was coached this year by *Gary Luttel*, in his second season as head coach of SBHS.

The New Pep Club

The word to describe Pep Club 1971 is spirited! Under the leadership of President, Lisa Carni, Vice-President, Myra Reyes and Secretary, Shellie Prohaska, the work of its members throughout the year promoted participation in sports activities, and dances. They sold rooster buttons and generally built enthusiasm among the students. Much of the credit for St. Bernard's spirit should go to the Pep Club.

Forgotten are those who sit in the dim light and labor over thoughts, wishes, opinions, requests. Often those become reality. The student council publicized activities, planned such things as the student exchange day with Westchester High School and with Bishop Montgomery High School, organized the drives. After a student body vote on the subject, the council made rallies optional. They accepted new clubs—scuba club, photography. They introduced the faculty-student discussions. They have class and club reports. They supervise and advise the commissions. The council is a group whose recognition is long overdue. It is the student's official spokesmen organization.

Varsity Cheerleaders

The Varsity Cheerleaders of 1971-72 accomplished much this year. They excelled in evaluation at summer camp in Redlands California. In four days of competition they won a first place, three third places, and three spirit sticks. They competed with cheerleaders from schools throughout the state. They succeeded this year in their most important goal—uniting the student body in spirit, pride and confidence.

No one knows the hours of work and concentration that go into each game and rally. The cheerleaders for St. Bernard High School were a source of pride to the students, coaches and teams.

Drill Team

DRILL TEAM was headed this year by senior captain, Mary Roark, (*Top Left*) and co-captain, Patti L'Heureux (*Top Right*). This summer they attended camp at La Jola in San Diego. In competition, they won a trophy for group performance, a spirit award, and ten ribbons for drill downs and marching. Mary Roark was one of the top five chosen for Miss Drill Team U.S.A. They have been in numerous parades and they feel that they have accomplished everything they have set out to do this year, such as making drill team one of the top and most important organizations around SBHS.

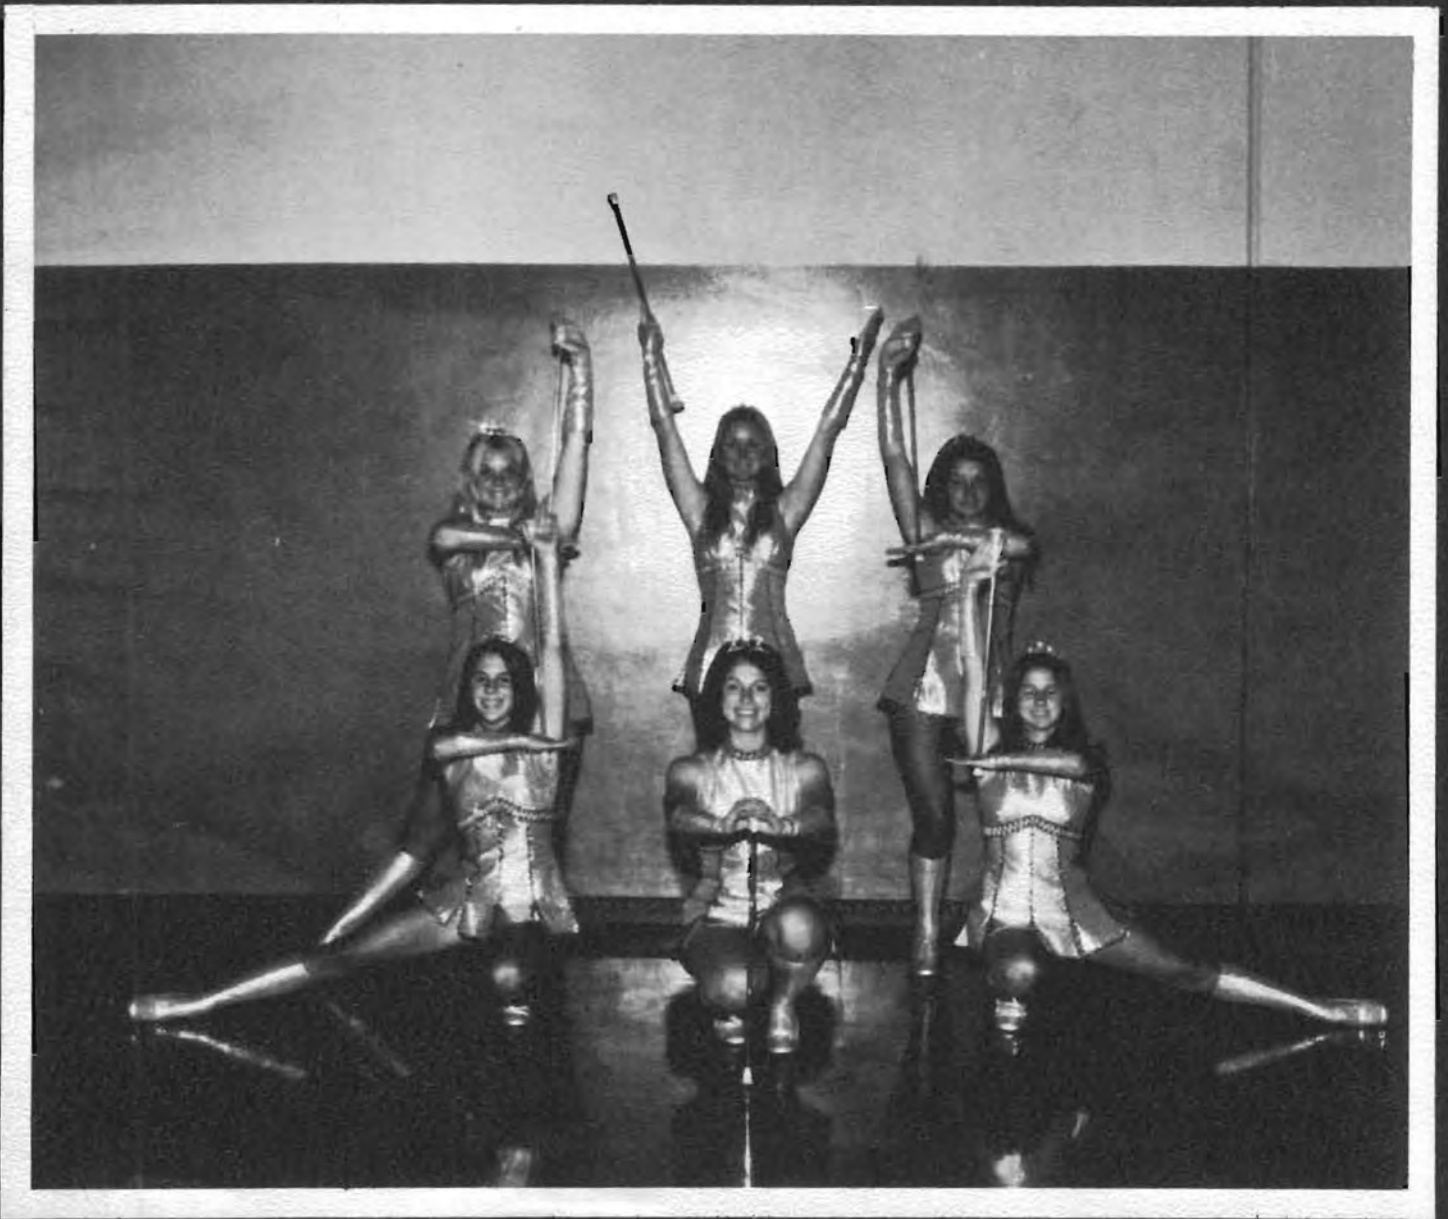

MAJORETTES were very successful, marching away with trophies and ribbons from various parades and competitions. The majorettes could be seen at the half-time of football and basketball games performing daring routines such as these with fire batons and fluorescent hoop batons, done during football season.

FLAG TWIRLERS attended many tournaments and clinics competing and learning the new techniques they used this year. Their routines practiced to perfection pleased spectators at the half-times of the basketball and football games.

As Freshman, the class of '72 chose St. Jude as their class patron saint. Why the patron of hopeless causes? Because they wanted a class that was like no other, a class that could truthfully say that after 4 years at St. Bernard High School they had accomplished something and grown from it somehow.

Their song was "The Impossible Dream" from *The Man of LaMancha*—a story of a never ending quest, a courageous spirit to right all wrong and achieve an everlasting righteousness.

Patterned after St. Francis's words, their motto became, "Where there is hatred; let us sow love". Not only did they want to defeat evil but they wanted to replace it with love—a giving love, spreading love, sharing love, an everlasting love.

James Acquarelli
