

This is a picture of my husband Jim and me. We took the picture because our 4 granddaughters in Idaho had taken a picture in similar hats and our son had sent it to us.

Jim and I will be married for 39 yrs on Dec. 30th. We've raised 3 children, 2 boys and a girl. Jeremiah our oldest lives in Idaho, with his wonderful wife and 4 daughters, ages 6 to 14. Our daughter lives here in Las Vegas and has a daughter and son, 4yrs and almost 2. Christopher our youngest is a Gunnery Sgt in the Marines (15 yrs) and has two sons, ages 9 and 6. (8 grandchildren and love them all)

We both still work full time. Jim is the soil scientist for the Forest Service for the state of Nevada. I work for a company that manages Homeowners Associations. I love working with people.

I truly wish we could be there. Have a wonderful time.

- Susan Ceuvorst Hurja

Hello from England!

I met my English husband, Rod, while youth hosteling around Ireland in 1974. We got married in 1977 (Gail Leamy was my maid of honor) and I moved to Cambridge, England. We have two children. Chris is 37 and Susie is 34. We also have three granddaughters: Aimee is 4, Orla is 2 and Poppy is one week old.

Have a wonderful reunion! - *Gayle Coveleski Webb*

So sorry I can't make the re-union, but here is the short recap . I live in Gilbert Az, which is a suburb of Phoenix with my wife of 39 years Sharon, and my 2 sons Jason 37, and Ryan 32, also live in the area. I am semi-retired from the commercial general contracting business; my older son Jason will be taking over the company but I will still be helping him as needed. As of now, I am just helping out friends and family with their home improvements and try to work around 3 days a week for some spending \$\$\$. I tried to stay home and work around the house, go golfing 1x a week, maybe some fishing, but I just can't sit still, the retirement lasted around 3 weeks before I was bored to tears and driving Sharon crazy. "Too much husband, not enough money" was the key phrase around the house.

Everything is great around here with me other then the aches and pains of being 63 years old, "Everything is stiff but what ought to be" but I'm sure I'm preaching to the choir on that subject. Have a great time at the reunion and I hope to see the pictures and read the stories when they become available. I am not on social media, so hopefully there is a e-mail link that I can look at. And here are some photo's, 1 is of me and my dog Kaylee, and the other is my wife and 2 sons.

God bless and good health,
Bill Stevenson

Every one of your names brings smiles and such fond memories of pep club, cheerleading, football and basketball games, senior ditch day and so much more!

I trust that your lives have been happy, full of adventure and excitement and I pray they've been filled with many many joyful days creating all the memories that life offers us.

If you would, please give each other a big huge hug and a kiss from me. I will feel your embrace from afar and I look forward to connecting with all of you who would like to do that. You can find me on Facebook under Shelley Marenka and my business name is Get On Your MARK- yip!

I never stopped cheerleading LOL If you would like to visit, I live in a small town called Murphys in Northern California outside of Angels Camp, Sonora and Yosemite and I would love to see you!! I've been a "nature girl" all of my life and can't imagine anything else. You're the best of friends in life!!!!

Xoxoxo *Shelley Marenka (Prochaska)*

Hello from Patti (L'Heureux) Moffett and Rick Moffett.

We hope you have a great reunion. We are not able to make it this year but will be thinking of you. Rick and I are helping my parents through some health issues - I feel so blessed to be able to care for my parents during this time of their lives.

We send our love but know that we are there in St. Bernard spirit. We have a fantastic class and we are so proud to be a part of it.

We include a photo of us that was taken at the Rolling Stones concert.

All the best to you,
Rick and Patti

Greetings from Northern California!

I am so sorry to not be there in person, but wanted to say hi and acknowledge Jane and the amazing team for organizing this historic event. I look forward to seeing the photos from the weekend and hope to meet up next time.

Feel free to contact me if you are ever in Marin.

Enjoy! - Sue August
sueaugust@aol.com

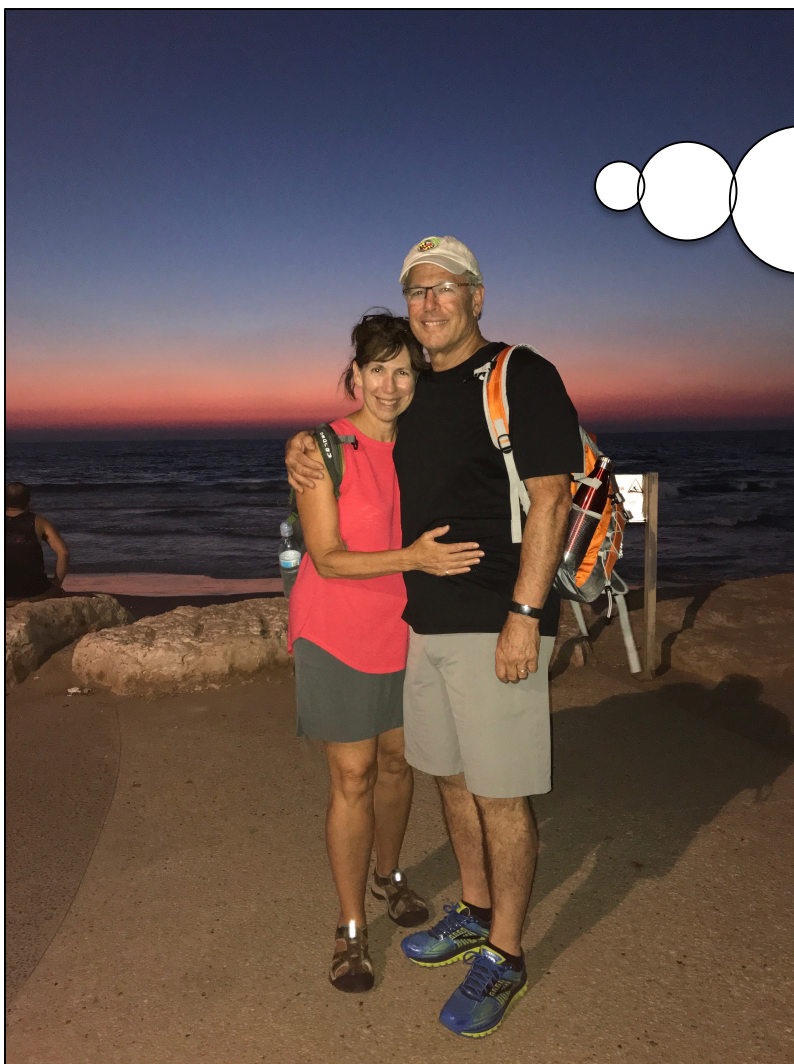

I will not be able to make our Reunion this year as we will be in Seattle celebrating my granddaughter's birthday. The Hello board will allow me to give a shout out to the class!

-Dan Higuera (with wife Tina)

A big hello from Thomas
Razzeto! All my best to you
and your loved ones

Gang, sadly, I won't be able to attend yet another reunion. I am very disappointed that I will miss seeing so many high school classmates, as you all (my Arkansas dialect is coming through) were such an important part of my life. However, it is difficult to get away during the academic year.

My wife, Valerie, and I live in Annapolis, Maryland. If any of you find yourself in the Washington DC area, please do let me know. If possible, I would love to connect. My work (at the University of Maryland) is only 9 miles from the White House, so getting to see you would be easy.

Anyway, have a great event in October. I am envious. Please send pix of the celebration.

I wish you all well. – *Craig Beyrouty*

So close, but so far away. My husband, two children (Ryan-15, Kristin-12), and I live in Ventura County, but unfortunately our reunion coincided with the major fundraiser for a school foundation on which I serve as a board member. I will be thinking about all of you wishing that I could clone myself and be in two places at the same time (Rick Paulson, can you get working on that?).

Happy that I still stay connected with many of you, but sad that I will not be able to reminisce with those that I only see at reunion time. Have a wonderful evening and I can't wait to see all the pictures! Thank you, ladies, for all your hard work to make this event happen!

The photo I am attaching is one of my family this summer at our vacation home in Minnesota. If this picture were taken inside our home, you would see the beautiful photo of Northern Lights that Lisa Vogelsang took and which is now hanging in our dining room!

Gail (Leamy) Rosenmund

Miss Everyone! Have a GREAT
time!
- Carol Barkly

Hi fellow classmates! I was hoping to make the reunion but because of the sale of our business that's not going to happen. I hope you all have a great time with lots of laughs and memories.

Bill Lloyd

It's Kathy McGinnis Blair here. Jane asked for, and now I finally have, a photo of myself that shows me in our beautiful Pacific Northwest. I have lived in WA state with my husband Denny for nearly 37 yrs. We have two children---a girl 30 and a boy 27. Our daughter is expecting our first grandchild in December. Here is a photo of myself and my husband. Hello to all and my regrets not being able to join you and visit with you all -- *Kathy McGinnis Blair*

As Craig said thanks to you Jane and the rest of the gang involved in coordinating the reunion ...it's very hard when one lives 3000 miles away to prioritize an event such as that when family is expecting you at a family Thanksgiving here in Canada...

Here are a couple photos of our night last night. FYI I have 9 grandbabes and the one I'm holding and the little girl in front are not mine -- the other 3 are !

Off to the other 3 kids Thanksgivings today and tomorrow !

Anyway Hope you all had a great time and see you (Lord willing) at the 50th!!!

Yvonne Horvat Murphy

Looking at the photos on the SBHS 1972 website makes me feel guilty that I did not make the extra effort to get there this year. Any excuse I would make is lame. My wife is still miffed that John and I went to the 30th(?) and I did not invite her to go.

I realized I went to Visitation with some Vikings. Rene and Iggy actually go back to kindergarten at Emerson Manor I think? In all those years my mother could never get Iggs name correct...it was always Inky.

Can a retired Air Force General be a poster child? It must have been around 1960 and there was an article in the LA Times about the astronaut program being started. The article said there was no age limit. I went to my Dad and he said I should apply. So, I wrote to the President saying I wanted to be an astronaut. I got a letter back from the White House saying I could apply when I got older. Kevin, you really did it!

So, from Westchester ---> Seattle ---> Saudi ---> northern California --> Annapolis ---> Pittsburgh ---> and now Florida. We relocated 2 years ago after I slipped on an icy driveway getting my morning paper and had 15 rib fractures. We already owned the house in FL but added a pool and spa and it hasn't frozen once. My wife and I have 4 kids between us and grand child #9 was born on 10/4. I am a technical consultant for a British flooring manufacturer that operates in the America's. The attached pic is from a trip to the UK last year.

If I am above grade in 2022 that will improve my odds of getting to the 50th.

Best to all of you. Lou Quin

Notes sent with no photos ☹️:

Our daughter is getting married, so I'll miss seeing everybody. Many thanks to Pam, Margo, Kathy, Dora and their fearless leader Jane for coordinating the details of our 45th Reunion. Have a lovely time! ”

- *Lisa Carni Gruber*

All my best to everyone. After the last reunion, which I missed, so many people called, it was really nice. I had hoped to make it this year, but as much as I'd like to be there, I just couldn't make this happen. Have a great time.

-*George Wolgemuth*

Thanks to all the committee for their hard work in planning and organizing what looks like a wonderful event. I will not be able to attend, as our daughter and her husband are expecting their 2nd baby and the due date is October 8th. We plan to be in San Diego to be with her and to help watch Delaney (the big sister who is almost 2). Have a fantastic time, and take lots of pictures. Hope you'll post about the event and show the pictures at some point..... Such wonderful memories of us back in the day!

- *Jan Johnston Beyrouy*

I live in Columbia, so will not be making it to the reunion -
Kevin Cross

Dear All,

After a year of college (West LA City College) I joined the USAF, I enjoyed my years as an Admin Specialist, serving at Beale AFB, CA. I am part of history there since I was # 8 WAF on base of hundreds of men. I was also there when the SR71 made Mach 3 plus! Later came U2 and other exciting planes and missiles.

I got married to my husband there at Beale AFB chapel 2 on 09/13/75....so you can see Paul and I have already been married 42 years and now on 43. It's been a journey that seems to gone sooo fast. In was able to join my husband at FE Warren AFB, Wy where we were blessed with 2 beautiful girls Rebecca Anne on July 27, 1977 and Jessica Bernadette on March 13, 1979. While there we survived a tornado that jump base housing and went thru golf course, airport and City of Cheyenne. We later moved back to Ca where we lived till 2014, Long Beach Ca.

I was employed at AARP for 25 years permanent and 5 years as temporary, in membership where I data entry, filmed sources, micro filmed and quality controlled. While at Long Beach we saw 2 saints Mother Theresa and also St Pope John Paul 2!! We have toured US numerous times and finally saw Florida, Hawaii and Alaska! This was a life time goal to see all50 states!! We survived I think 3 earthquakes while in CA! After almost 4 years now in the Lone Star State (Texas) we survived Hurricane Harvey!

While taking my younger daughter to Oregon we just missed America's famous Solar Eclipse by a week and thankfully missed the shootings at Las Vegas by a month! A lot of my co workers at AARP said I was a lucky person since I won a lot at football pools but I say I am blessed! God certainly watches over my family and I. Like others since gradulation day I loss my parents and a brother and many friends. But I have been blessed with a great set of parents and friends I have for decades! I have a grandson who is my 2nd man in my life. We almost loss him at 6 months but again Lord's love and mercies he's still alive and very active and smart. My other daughter plans to marry next September and then I will have 2 more grandsons and a granddaughter just entering their teens! Have a wonderful reunion!
